After sun skin care product

ORIGINAL ALOE VERA AFTER SUN CALMING AND COOLING LOTION – 150ML – ATP0127

Light moisturizing formula after sun or solarium to calm down and regenerate the red, irritated skin. It replenishes the skin's lost moisture content and gently nourishes the skin thus promotes longer tanned appearance. Its skin calming aloe vera, panthenol, allantoin and bisabol components reduce skin redness, itching, unpleasant stretching, and skin dryness. Vitamin E protects the skin from harmful free radicals, thus supports the intensive regeneration. Easily absorbs and does not leave greasy mark. Recommended for everyday face and body care, for all skin types.

Sport gels

ORIGINAL ALOE VERA SPORT THERMO GEL 3 IN 1 – 150 ML – ATP0118

Its regular use can reduce fat deposits in problematic areas (waist, abdomen, thighs, hips, buttocks) and reduce cellulite or stretch marks while making the skin smoother and more supple. The warming effect felt shortly after application stimulates the microcirculation of the skin and helps to get rid of toxins released from fat cells. The product is easily absorbed during massaging, the skin will not feel sticky and will not leave stains on the clothes. Thanks to its special active ingredient combination, it can also be used on more sensitive skin.

ORIGINAL ALOE VERA SPORT ICE GEL 3 IN 1 – 125ML – ATP0119

Intensive cooling and calming oil free gel with camphor and menthol. Helps vitalize tensed muscles after sports or physical work. Prevent yourself from muscle cramps and soreness or reduce muscle pain on the affected areas (waist, back, shoulders, legs). Some ingredients are known for their painkiller and anti-inflammatory effects. Its aloe vera content regenerates and calms the skin, while chamomile ensures the calming effect.

SKIN CARE WITH
THE POWER OF NATURE

Original Aloe Vera

Aloe Vera Drinks

Original Aloe Vera Skin care products

Original Aloe Vera Skin care products

PROTECTION FROM WITHIN, CARE FROM OUTSIDE WITH THE POWER OF NATURE

Aloe Vera Organic products are based on the beneficial effects of Aloe Barbadensis leaf extracts. Aloe is enriched in many vitamins, such as A, B1, B2, B3, B6, B9, B12, C and E. It can help to maintain health, prevent from diseases, detoxify the body. Not only vitamins, but also minerals and mono- and polysaccharides support the normal operation of the human body.

Of the many types of aloe vera, the clear, pure, fresh and soothing aloe vera gel from the fleshy, spear-shaped leaves of Aloe Barbadensis Miller is used in our products, preserving the fragile chemistry and purity of the aloe plant. The Aloe Vera drinks are recommended for those who regularly care for their health, those who live an active life, and who prefer quality and natural foods.

Aloe juice contributes to maintain the normal function of the immune system. The Original Aloe Vera drinks have a pleasant taste that is rich and pure, reviving, mildly tart, made from gel extracted from whole leaf of Aloe Barbadensis Miller on the ground of several qualitative regulation. It has been known from literature that aloe vera inner gel contains numerous valuable ingredients (e.g. mono- and polysaccharides, minerals, vitamins, enzymes, amino acids).

ORIGINAL ALOE VERA DRINK WITH CRANBERRY JUICE CONCENTRATE – 1000 ML – AVTP0111

The cranberry juice complements the positive health effects of the original aloe vera gel beneficially. In folk medicine cranberry is recommended primarily to maintain the health of the urinary tract and for the prevention a variety of urinary tract infections. Due to its pleasant taste, it is well liked by children as well. Due to the controlled production process the drink contains no added water, sweeteners, colorants, and additives. Contains naturally occurring sugars.

ORIGINAL ALOE VERA DRINK WITH MICRO PULP – 1000 ML – AVTP0113

The effect of the fiber-rich drink on our digestion is well recognized, so in case of gastrointestinal problems and metabolic problems it can be recommended for detoxification and to generally support and strengthen the body.

Aloe vera also has beneficial effects if you apply it on the skin. Its anti-inflammatory properties can reduce pain, swelling and soreness of wounds or injuries. It supports the production and release of collagen. Well known for reducing the healing time of first-degree and second-degree burns. It has an antioxidant effect, that can help repair sun damage and slow down the aging processes of the skin. Aloe vera contains 98% water, so it is a strong moisturizer, while has a soothing effect, too. Organic Aloe Vera products use all benefits of this extraordinary plant.

ORIGINAL ALOE VERA SPRAY – 100ML – ATP0115 ORIGINAL ALOE VERA SPRAY – 500 ML – ATP0116

Soothing and moisturizing preparation with 100% stabilized aloe vera juice, panthenol, allantoin and herbal (chamomile, arnica, ginkgo) extracts. Due to its valuable ingredients, it is useful for immediate relief in case of minor skin irritations (e.g. itching, rash following exposure to sunlight). Aloe vera is excellent in moisturizing and skin conditioning also in itself. Its NMF and hyaluronic acid components increase skin hydration by enhancing the moisture retention capacity of the skin. Instant help at home or during travelling.

GEL AND PROTECTIVE CALMING CREAM ORIGINAL ALOE VERA GEL – 100ML – ATP0120

Easy absorbing, oil-free soothing gel with 100% stabilized Aloe Vera juice, allantoin camomile extract and panthenol. The acidic juice pressed from the leaves of the Aloe plant has extraordinary soothing, moisturizing and skin-regenerating properties. Recommended for all skin types. Instant help at home or during travelling.

ORIGINAL ALOE VERA SKIN PROTECTIVE CALMING CREAM WITH VITAMIN E 5 IN 1 – 100 ML – ATP0117

When applied after Original Aloe Vera Gel or Original Aloe Vera Spray, the protective cream helps to trap moisture in the deeper layers below the skin surface, ensuring effective hydration and care of the skin. It is also recommended for sensitive skin. Protects, softens, and soothes dry, sensitive skin, while reducing the sensitivity of irritated skin.
